## STATEMENT OF COMMON OWNERSHIP

Dear Sir:

U.S. Application Serial No. 10/004,143 (the '143 Application) and U.S. Patent No. 5,871,438 were, at the time the invention of the '143 Application was made, owned by Nu-Magnetics, Inc.

## REMARKS/ARGUMENTS

During the end of August, the Examiner and Applicants' attorney held several discussions regarding the present Application. A Statement of Common Ownership was required and certain amendments were to be made to the claims. These amendments include substituting the word "triangular" for the word "regular" in Claims 1 and 15. Additionally,
